

# SOONER COUNT THE STARS

- VERSE 1**    I could sooner count the stars than number all Your ways  
                  Though I only know in part, that part exceeds all praise  
                  As sunlight fills the skies Your goodness fills my life  
                  For all Your precious gifts receive my gratefulness
- VERSE 2**    I could sooner drink the seas than fathom all Your love  
                  Like a never ceasing stream are mercies through Your Son  
                  The death of Christ alone deserves eternal song  
                  For such a love as His receive my gratefulness
- CHORUS**    No praise is high enough, no thanks is deep enough  
                  No life is long enough to tell of all You've done  
                  No shout is loud enough, no words are strong enough  
                  No song is sweet enough to sing Your love
- VERSE 3**    I could sooner turn back time than turn Your heart away  
                  Though the years go fleeting by, Your mercies never change  
                  Before You made the sun Your love was set on us  
                  For all Your faithfulness receive my gratefulness
