

# ONE STEP AT A TIME

♩. = 51

## INTRO

||: D / Em / | Bm / G / :||

## VERSE 1

*D* *Em*  
It seems like it was just yesterday  
*Bm* *G*  
We had to say we were sorry  
*D* *Em* *Bm* *A*  
And even though we don't want to sin, we fall again every day  
*G* *A* *Bm*  
It feels like we're pushing a rock that won't move  
*G* *A* *Bm*  
We want to obey, but it's so hard to do  
*C* *G*  
But if Jesus is Lord, we can be sure  
*Em* *A*  
Sin's not in charge anymore

## CHORUS

*D* *F#7*  
And God's love will lead us  
*Bm* *G* *A*  
One step at a time as we walk in the light  
*D* *F#7*  
He's faithful to keep us  
*G* *D/F#* *Em* *A* *D* *Em* | *Bm* *G*  
One step at a time as He's making us more like Christ

## VERSE 2

*D* *Em*  
Sin, it camps like an enemy  
*Bm* *G*  
That's hidden deep down inside us  
*D* *Em*  
So, every day we still have to fight  
*Bm* *A*  
To do what's right, good, and true  
*G* *A* *Bm*  
But when we grow tired and want to give in  
*G* *A* *Bm*  
God gives us power to say "No" to sin  
*C* *G*  
He changes our lives and opens our eyes  
*Em* *A*  
So we can bring glory to Christ
