

Recorded Key of Cm

# THE SCARIEST SONG

♩ = 80

**VERSE 1**      *Fm*                  *Cm*                          *G7*                          *Cm*  
What's the scariest of woes? Some say snakes and some say spiders  
                         *Fm*                          *Cm*                          *G7*                          *Cm*  
What strikes terror to your toes? Some say floods and some say fires  
                         *Fm*                          *Cm*                          *G7*                          *Cm*  
Some say dentist drills or creepy clowns, climbing up or falling down  
                         *Fm*    *G7*  
But I'll tell you what's the scariest around

**CHORUS**      *Cm*                                  *Ab*  
Sin! it's the scariest, Sin! hurts everyone  
*Cm*    *Ab*  
Sin! how it hides in us, it's all the wrong we've done  
                 *Fm*                          *Cm*                          *G7*                          *Cm*  
It separates us from our God behind these prison walls  
                 *Fm*                  *G7*                  *Cm* | *Ab* | *Cm* | *Ab*  
Oh, sin is the scariest of all

**VERSE 2**      *Fm*                  *Cm*                          *G7*                          *Cm*  
What's the scariest to you? Some say living, some say dying  
                         *Fm*                                  *Cm*  
What's the worst thing you can do?  
                         *G7*                                  *Cm*  
Some say failing when they're trying  
                         *Fm*                                  *Cm*  
Some say getting germs or getting shots  
*G7*                                  *Cm*  
Getting lost or getting caught  
                         *Fm*    *G7*  
But I'll tell you what's the worst thing we have got

**BRIDGE**      *Bb*                                  *Ab*  
Since Adam and since Eve sin's spread like a disease  
                         *Fm*                          *G7*                          *Cm*  
We know that on our own we cannot beat it  
                         *Bb*    *Ab*  
But though it seeks to kill, our God is stronger still  
                         *Fm*    *G7*  
And only by His grace can we defeat it
