

# ABBA, FATHER

- VERSE 1** Abba, Father! we approach You  
In our Savior's precious name  
We, Your children, here assembled  
Now Your promised blessing claim  
From our sins His blood has washed us  
Now we can draw nigh  
By the power of Your Spirit  
"Abba, Father" now we cry  
"Abba, Father" now we cry
- VERSE 2** Once as prodigals we wandered  
Hating what was all our need  
But Your grace o'er sin abounding  
Rescued us from misery  
You the prodigals have pardoned  
Kissed us with Your love  
Spread the feast and now You've called us  
E'er to dwell with You above  
E'er to dwell with You above
- BRIDGE** You have found Your once lost children  
They now live who once were dead  
"It is right," we hear You saying  
"For my people to be glad"
- VERSE 3** Abba, Father! all adore You  
Shout Your praise in Heav'n above  
While in us they learn the wonders  
Of Your wisdom, grace, and love  
Soon before Your throne assembled  
Gladly we'll proclaim:  
"Glory, everlasting glory  
Be to God and to the Lamb!  
Be to God and to the Lamb!"
