

ALL MY JOY

VERSE 1 Your glory is what I am longing for
Your splendor is filling my gaze
Your love so great
Is what I am thirsting for
I live for the sight
Of Your beautiful face

CHORUS All my joy is found in You
And how my joy abounds in You
And all my hope it rests on You
To live is Christ
To die is gain
And in the end
Only one thing remains
All my joy is found in You

VERSE 2 Your beauty is drawing my heart to You
Your Spirit is teaching me truth
Your word so sweet
Is more than a feast O Lord
I live to bring pleasure
And honor to You
