

ALMIGHTY CREATOR

VERSE 1 **Almighty Creator**
You spoke and there was light, there was light
And by Your great power
You spoke and there was day and there was night
And You made all things to show Your glory
Formed all things to bring You praise

CHORUS **And You've created me to worship You**
And You created me to Love You
And You have made me to delight in You
All glory to Your name!

VERSE 2 **The mountains, the oceans**
All creatures great and small in the earth
All nations, all peoples
Of all colors came to be by Your Word
And You shed Your blood for our salvation
So You could make us anew
