

BE READY

Based on Matthew 25:1-30

- VERSE 1** **Now, if we hear there's a storm that's near
We'll want to grab a coat to wear
An umbrella too would be something good
So that we can be prepared**
- VERSE 2** **Well, Jesus said we should plan ahead
Because He's coming back one day
And those who've heard and believed His words
Will be prepared to celebrate**
- CHORUS** **Be ready, be ready
The King is gonna come again
Be ready, be ready
His reign is gonna have no end**
- VERSE 3** **Now, some believe they don't really need
To think about the judgment day
But they will find they've been so unwise
And it will come a day too late**
- BRIDGE** **Dark clouds tell us soon it's gonna rain
But no one knows when Jesus is coming back again**
- VERSE 4** **So, here's the truth in this simple tune:
We should always watch and pray
And we'll be glad when the Lord comes back
If we're trusting Him today**
