♩ = 136

## INTRO

A | D | F#m7 | E (2X)

## VERSE 1

You spoke and our hearts began to beat

You gave us breath and air to breathe

It's all from You, Lord, it's all from You

You give the morning sun its light

All that we need Your hand provides

It's all from You, Lord, it's all from You

With humble hearts we thank You

With grateful hearts we sing out

## CHORUS

Generous King, You give

Out of Your fullness, showering kindness

You give, generous King, mercies unending

Love never failing, You give

## VERSE 2

The wrath we deserved was furious

The cup that we drink is full of love

It's all from You, Lord, it's all from You

Your Spirit You've freely given us

Now we see Jesus glorious

It's all from You, Lord, it's all from You

With humble hearts we thank You

With grateful hearts we sing out
