

GOOD AND GRACIOUS

Good and gracious (in everything You do)
Good and gracious (in everything You do)

CHORUS Good and gracious, You're our Creator
Good and gracious to all You've made You're
Good and gracious, You never change, there's goodness
In everything You do

VERSE 1 Father, You are powerful and mighty
You rule over everything our eyes see
You provide the air that we breathe
Sun and rain and food that we eat
You're so good to always take care of me

VERSE 2 Father, You sent Jesus down to save us
He's the greatest gift You ever gave us
When the Spirit opens our eyes
We can see the goodness of Christ
Then we find we want to do good like You
