**VERSE 1** In You is grace and perfect rest  
Deliverance from all my shame  
A shelter from what I deserved  
There's only kindness here

**CHORUS** In You, in You is awesome mercy  
In You is sweet forgiveness  
In You, in You I'll trust forever  
In You I'll rest  
In You I'll rest

**VERSE 2** In You is joy forevermore  
A fount of life that I may drink  
A perfect peace when storms surround  
For You are always near
