

# IN YOU ALONE

**VERSE 1**    **This storm-tossed heart  
Has finally found a harbor  
In You my heart  
Has finally found its home  
And You will be my dwelling place forever, O my Lord  
My shade and shelter and my song**

**CHORUS**    **In You alone my heart rejoices  
In You alone is all delight  
In You alone is all my gladness  
In You alone my soul is satisfied  
Satisfied in You alone**

**VERSE 2**    **This wandering heart  
Has come back to its Shepherd  
My wandering heart  
By precious blood is healed  
Oh, sing the mercies of our mighty Savior and our King  
Great love of God in flesh revealed**
