

# MORE THAN LIFE ITSELF

**VERSE 1** My soul finds rest in You alone  
You are the God who knows my ways  
Your sovereignty is so sweet to me  
In Your hands are all my days

**CHORUS** More than life itself  
My God, how I need You  
My precious all in all  
More than life itself  
O Lord, how I love You  
And long to be with You  
More than life itself

**VERSE 2** My soul finds joy in You alone  
You are my fountain of delights  
The mention of Your matchless name  
Causes my heart to soar on high
