

# PLEAD FOR ME

**VERSE 1**      *Ab*                      *Db*                      *Ab*  
**When I am weak I lift up my eyes**  
                                 *Fm*      *Db*                      *Ab*  
**To see my Savior plead for me**  
                                 *Ab*                                      *Db*                                      *Ab*  
**When fear closes in and doubt sows a seed**  
                                 *Fm*      *Db*                                      *Ab*  
**I know my Savior pleads for me**

**CHORUS**                      *Db*                                      *Ab (Fm)*  
**Of Your love there is no doubt**  
                                 *Fm*                                      *Eb*  
**Of Your mercies I am sure**  
                                 *Db*                                      *Ab (Fm)*  
**Jesus knows my need and for me intercedes**  
                                 *Fm*   *Eb*                      *Fm* | *Db*   | *Fm*   | *Db*  
**All my hope              is Christ**

**VERSE 2**                      *Ab*                      *Db*                      *Ab*  
**When sin rises up I fall to my knees**  
                                 *Fm*      *Db*                                      *Ab*  
**To see my Savior pleads for me**  
*Ab*    *Db*    *Ab*  
**Storms may rage on, but this is my peace:**  
                                 *Fm*      *Db*                                      *Ab*  
**I know my Savior pleads for me**

**TAG**                                      *Db*   *Eb*                                      *Db/F*                                      *Eb*  
**Show Your power as we pray in Your Name**
