

THE GLORY OF THE LAMB

VERSE 1

G#m *E2*
A day is coming, coming soon

F#2 *C#m*
When we shall see Your face

G#m *E2*
And how our hearts are yearning for

F#2 *C#m7*
That outpouring of grace

G#m *E2*
When You take all the galaxies

F#2 *C#m*
And roll them up like a scroll

G#m *E2*
When You make Heav'n and Earth anew

F#2 *C#m*
And eternity unfolds

CHORUS

B *B/E*
Then the glory of the Lamb will be

G#m *C#m9*
All that we have longed to see

Emaj7
And we'll praise Your splendor

F#sus4 *B*
Majesty and might

B *B/E*
There will be no darkness, be no night

G#m *C#m9*
We won't need the sun or moon to shine

Emaj7 *F#sus4* *F#* *B* | *B* |
For the glory of the Lamb will be our light

VERSE 2

G#m *E2*
Although we see but dimly now

F#2 *C#m*
Our hearts are filled with love

G#m *E2*
For we have tasted and have seen

F#2 *C#m7*
How good You are, O God

G#m *E2*
We know that our Redeemer lives

F#2 *C#m*
And someday You'll return

G#m *E2*
And we shall see You with our eyes

F#2 *C#m*
Oh how our hearts will burn

CHORUS

B *B/E*
Then the glory of the Lamb will be

G#m *C#m9*
All that we have longed to see

Emaj7
And we'll praise Your splendor

F#sus4 *B*
Majesty and might

B *B/E*
There will be no darkness, be no night

G#m *C#m9*
We won't need the sun or moon to shine

Emaj7 *F#sus4* *F#* *B* | *B* |
For the glory of the Lamb will be our light
