

TRUST IN YOU

VERSE 1 Lord, You reign on high
Over all creation
Every starlit sky
And all that lies below them
All kingdoms, all rulers
Are kept by Your power
Sovereign God, we stand in awe

CHORUS You reign forever
You reign in power
The only strong tower
We will trust in You
You reign forever
You reign in power
The only strong tower

VERSE 2 I am in Your hands
Use me as You want to
Secure within Your plans
I will fear no evil
In joy and in suffering
Always I'll keep singing
You are good, Jesus, You are good

BRIDGE All kingdoms, all rulers
Are kept by Your power
Sovereign God, we stand in awe
