

# UNASHAMED

**VERSE 1** You were not ashamed to be  
Emptied and poured out to death  
Unashamed to give Your dying breath  
You were not ashamed to bear  
All of my reproach and sin  
Jesus, You were such a faithful friend  
So I will glory in the cross  
And in the blood You shed for us  
Glory in the gospel of Your grace

**CHORUS** Let me be unashamed  
Jesus, to speak Your name  
For You were the one who came  
The Savior of the world  
Let me be unashamed  
Jesus, to speak Your name  
Let me be bold to claim  
You as my Lord

**VERSE 2** You were not ashamed to give  
Your body to a Roman lash,  
Unashamed to bear God's holy wrath  
You were not ashamed to hang  
Naked bleeding on a tree  
Gladly You did all of this for me  
So I will glory in the cross  
And in the blood you shed for us  
Glory in the gospel of Your grace
