

YOU ALONE

VERSE 1 You and You alone
Will be my song, will be my joy
Because of what You've done
You've won my heart and I am Yours
Because of Calvary
Because You died You've become my treasure
Take all of my days, I give my life
To bring You praise

VERSE 2 Once a slave to sin
Condemned to die and know Your wrath
But in wondrous love
You gave Your Son to bear it all
And I will worship You
My only hope and my sure salvation
Take all of my days, I give my life
To bring You praise

VERSE 3 Take me home to You
My Savior King, show me Your face
Let me humbly bow
Down at Your feet and praise Your Name
And You and You alone
Will be my song, will be my joy forever
Take all of my days, I give my life
To bring You praise
