

YOUR LOVE STANDS FIRM

CHORUS Your love stands firm in the heavens
You loved us before time began
From age to age You will show us Your love
You've engraved us upon Your hands

VERSE 1 Throughout eternity we'll marvel at Your love
Revealed in the Cross
Though we'll never understand why You chose to pour
Such kindness on us

VERSE 2 Why did we come to know the gospel of Your grace
Why did we come to hear?
Why are we heirs with Christ? We should be condemned
Why did You bring us near?
