

# **YOUR SOVEREIGN GRACE**

**VERSE 1** There are strong arms embracing me  
That these eyes of flesh cannot see  
And there's an anchor that holds my soul  
Through the darkest raging seas  
For You said that You would never leave me  
And of this I'm sure  
The bonds that keep You ever near me are secure

**CHORUS** Your sovereign grace  
Is holding me through this world  
With nail-scarred hands that have loved me  
Through eternity  
Your sovereign grace is holding me  
Through this world  
Lord I rest in this certainty  
Your sovereign grace is holding me

**VERSE 2** Your mountains of goodness  
Surround me and reach to the sky  
And Your rivers of favor run  
Around me on every side  
For I know that You have chosen me Lord  
So I stand assured  
The ties that always keep You near me will endure
